

Complimentary Cleaning Starter Kit

We are committed to making sure that you have the available products to properly clean and disinfect your home away from home.

We would like to offer a complimentary cleaning starter kit to all of our new arrivals:

- **Bottle of Peroxide Multi Surface Cleaner and Disinfectant**
- **Foam Antibacterial Hand Soap**
- **Roll of paper towels**
- **Set of disposable hand gloves**
- **Two disposable masks**

Facts and Tips:

- Peroxide Multi Surface Cleaner and Disinfectant disinfects in 3-5 minutes (kills 99.999% germs) and kills Norovirus in as fast as 45 seconds.
- Antibacterial soap contain ingredients not found in plain soaps. These ingredients are added with the intent of reducing or preventing bacterial infection.
- High-touch-points to clean daily: doorknobs, light switches, remotes, keys, phones, faucets, and tabletops
- **To effectively clean the hands:** Thoroughly lather the backs of your hands, between your fingers, and under your nails for a minimum of 20 seconds before rinsing.
